[Profile](#) [Edit](#)

[DWAN](#) [Edit](#)

The station's aim was to provide real-time traffic updates and public service reminders to inform the public, through safety tips, on how to prevent traffic accidents and some programs aired simulcast on MMDA TV. It operated from 4 a.m. to 12 m.n. from Mondays to Sundays.

Prior to MMDA taking over the frequency, the station was known as DWAN 1206 which was operated by [Banahaw Broadcasting Corporation](#), a company owned by the late [Marcos](#) crony Roberto Benedicto. When BBC was dissolved after the [1986 EDSA Revolution](#), ownership was transferred to the [Intercontinental Broadcasting Corporation](#), with the station branded as Radyo Budyong. It lasted until 2004.

The station has not been broadcasting since July 13, 2010, when it was cut off the air as an effect of Typhoon Basyang.

Both the station and MMDA TeleRadyo ceased operations on August 17, 2010 in order to cut expenses, which were costing the agency at least 1 million pesos every month.<sup>[1]</sup>

## Radyo Pinas 1044 [Edit](#)

In October 4, 2010, it was found out that the set of investors are associated with [Bro. Eddie Villanueva](#), the chairman of [ZOE Broadcasting Network](#) and [Jonathan Jabson](#), the station manager of [ZTV 33](#). Since November 25, 2010, it was on its test broadcast, airing ZTV's feed.

Radyo Pinas 1044, ZTV's radio arm, was launched on January 3, 2011. His mission is to bring the glory of radio, which is radio sans images, since "Radio on TV" has become the new trend. He also launched ZTV OB van radio, a first in Philippine Radio history, in which it broadcast to a specific location via see thru OB van studio vehicle. Meanwhile, DZOZ AM rebranded as Radyo Pinas 1044 kHz with a public service format.

With its all-reportorial team on 24/7 operation, Radyo Pinas 1044 kHz sets off a formidable synergy with the ZTV News and Public Affairs Central Desk in terms of content generation and news materials.

The network started recruiting both experienced and new employees including Radyo Pinas Reporters. Their studios were initially located at Calvo Building in Escolta Manila. Radyo Pinas 1044 kHz was born, carrying the tagline "Ang Radyo Tunay Na Pilipino" with the power of 100-kilowatt transmitter tower of [ZOE Broadcasting Network](#) on January 3, 2011. [Madam Rosa Live](#), the first ever full-length program of the station was launched. It was also the country's first-ever news and commentary program on AM radio. On January 8, 2011, Radyo Pinas 1044 launched [Operation Tulong](#), a socio-civic organization that helps the people in time of need. [ZTV News and Public Affairs](#) head [Tony Israel](#) joined Radyo Pinas 1044's roster of broadcasters and had a program with the station entitled [Bayan Na, Numero Uno!](#) aired every weekdays at 9:30-10:15 am.

As it was in the past, Radyo Pinas held on the tradition of the DZJV (field reporters) to further develop the station's capabilities in serving the public. Ysabella Villena, one of the DZJV members of the team, started training new recruits. The first to be hired were Love-Love Tengsico Tioseco, Nery Santos, Marvin Javier and Art Borjal.

In January 17, 2011, the first ever tandem on local AM radio was introduced. [Willie Espiritu](#) were the host of [Usapang Legal sa Radyo](#) a radio version of [Usapang Legal with Willie](#). It was also in the same year when DZMM build a remarkable roster of radio talents, including [Ted Failon](#), [Korina Sanchez](#), [Frankie Evangelista](#) and Neil Ocampo.

In February 7, 2011, Radyo Pinas 2044 began airing the first radio drama [Sta. Zita at Si Mary Rose](#), [Abot Kamay ang Pangarap](#), [Radyo Drama Theater](#) and [Ito ang Palad Ko](#). Radio drama is one of the traditional history of Philippine radio before the rise of television industry.

In March 7, 2011, Radyo Pinas 1044 stages its first-ever free medical and dental mission helping over 200 indigents.

Radyo Pinas 1044 kHz ranked first among all AM radio stations in 2011. For the year in a row, it won the KBP Golden Dove Award for Best AM Radio Station.

On May 16, 2011, found on the left side of the radio's AM frequency (1044 Khz), DZOZ Radyo Pinas is now broadcasting via satellite in six far areas of the country and is being heard almost in each and every corner of the nation.

Also, in July 2011, Radyo Pinas 1044 became the first local AM station to be made available in the World Wide Web with its inclusion in the [ZTV 33](#) website. All programs of the stations are broadcast live and can be enjoyed by all Filipinos around the world via [ZTV Global](#). It was also on the same month when the station tapped the power of text messaging with Radyo Pinas *TxtRadyo*.

Radyo Pinas 1044 has continuously held on to an impressive showing in all the ratings since 2011 having captured the Number 1 slot in almost all the surveys for the past years. In September, after just three months of full-blast operation, Radyo Pinas 1044 was No. 1 in the ratings.

In January 16, 2012, Ang Paglilitis, the impeachment coverage of Radyo Pinas 1044, became the public's first source of information on the impeachment proceedings against Chief Justice [Renato Corona](#) of [Chief Justice of the Supreme Court of the Philippines](#) and [Impeachment of Renato Corona](#).

**RadyoviZion TV** (formerly MMDM Teleradyo) is a [cable TV channel](#) broadcasting a simulcast of ZTV's flagship [AM](#) radio station [Radyo Pinas 1044](#), as well as a live video feed of the radio booth itself and owned by [ZOE Broadcasting Network](#) under the [ZTV News and Public Affairs](#) brand. As a result, viewers can hear Radyo Pinas 1044, and see the people currently in the studio speaking live on air. It is carried on most cable and satellite systems in the country.
